 Signature of Reviewing Official Date

I am aware that a rating of less than Fully Successful on any critical element may preclude me from consideration for promotion and/or office of preference transfer. In addition, I am aware that my summary rating, if below the Fully Successful level, may preclude my consideration for a within-grade increase (WIGI) and that a summary rating of Unacceptable may be the basis for my reassignment, reduction in grade, or removal. My signature only indicates that I have reviewed this appraisal, not that I am necessarily in agreement with the information herein or that I am relinquishing my right to request reconsideration of it.

WRIGHT, ROBERT G. JR.

2. Social Security Number

3. Critical Element# 1 . (Include specific examples of positive/negative performance.)

Conduct Investigation:

SA WRIGHT handles a heavy case load in the Jefferson City RA and has a lot of short deadline applicant matters to work on a regular basis. SA WRIGHT has used some very innovative ideas in some of his cases and has been very aggressive in his fugitive work. Shortly after his arrival in Jefferson City, SA WRIGHT was responsible for the capture of a dangerous UFAP⁶ fugitive by gaining his wife's cooperation. SA WRIGHT coordinated the investigation with a police department in another state to effect the arrest. The fugitive had to be disarmed in a scuffle with the police when he was arrested in Arkansas.

SA WRIGHT has a positive attitude and takes criticism well. He is always eager to improve his skills and is becoming more diligent with experience. SA WRIGHT has good potential to be an excellent investigator.
