Signature of Reviewing Official Date

I am aware that a rating of less than Fully Successful on any critical element may preclude me from consideration for promotion and/or office of preference transfer. In addition, I am aware that my summary rating, if below the Fully Successful level, may preclude my consideration for a within-grade increase (WIGI) and that a summary rating of Unacceptable may be the basis for my reassignment, reduction in grade, or removal. My signature only indicates that I have reviewed this appraisal, not that I am necessarily in agreement with the information herein or that I am relinquishing my right to request reconsideration of it.
