I am aware that a rating of less than Fully Successful on any critical element may preclude me from consideration for promotion and/or office of reference transfer. In addition, I am aware that my summary rating, if below the Fully Successful level, may preclude my consideration for a within-grade increase (WIGI) and that a summary rating of Unacceptable may be the basis for my reassignment, reduction in grade, or removal. My signature only indicates that I have reviewed this appraisal, not that I am necessarily in agreement with the information herein or that I am relinquishing my right to request reconsideration of it.

3. Critical Element # 2 . (Include specific examples of positive/negative performance.)

(S) Special Agent (SA) ROBERT G. WRIGHT has recently acquired the (S)(C) Foreign Counterintelligence/International Terrorism (FCI/IT) Program at the Jefferson City Resident Agency (JCRA) and has readily adapted to the program's requirements after having received counseling and training at Quantico (March 1993).

However, he is rated "Superior" in this critical element for his meticulous documentation, logging, sorting and tracking of evidentiary material pertaining to the Civil Rights investigation 44A-KC-70772, Major Case #76, regarding the mysterious deaths of numerous persons at the VETERAN'S ADMINISTRATION HOSPITAL in Columbia, Missouri. This was a difficult task, in that SA WRIGHT personally handled the evidentiary documentation for 13 autopsies during the exhumation phase of this investigation.

SA WRIGHT's documentation relative to report writing are also reflected in the liaison work in a local major case regarding the theft of boats in the Camden County area.

His (S) reporting is also rated "Superior" and reflected in [REDACTED] 65X-KC-69855.
