Title: STAFFING-TDY-POSTING-SELECTION;
LEGAT RIYADH

Synopsis: To advise of the tour of duty extension request for
LEGAT Bassem Youssef.

Enclosures: Riyadh EC dated September 26, 1998.

Details: LEGAT Youssef arrived at Riyadh on February 26, 1997
and his current tour is scheduled to expire during July 1999. He
has requested FBIHQ approval to extend his tour of duty for an
additional year until July 2000.

The Assistant Director, National Security Division, and
Section Chiefs, CID, respectively, were requested to canvass
their sections to determine if there were any reservations
regarding granting an extension to LEGAT Youssef. CID and NSD
responses were very complimentary of Mr. Youssef's performance as
LEGAT Riyadh and provided strong recommendations for a tour of
duty extension.

Based upon the above, Bureau approval is granted for
LEGAT Youssef to extend his tour of duty at Riyadh until July
2000.
