Dear Bob,

On behalf of FBI Tampa, I want to extend our deepest appreciation and to commend you for your exceptional performance in the Unlawful Flight case involving William Dale Jones.

As you know, Jones was a much sought after and very dangerous fugitive who had an extensive life of crime. We believe he would have met the same fate regardless of where he might have been located because of information developed by this Division that he vowed not be taken alive.

We are aware of the extensive amount of time and effort you expended in locating Jones, and we know of the bravery you displayed once the subject was confronted. I want you to know that we hold deep respect for you for your courage in an obvious high risk situation.

Your performance in this matter certainly was in the finest tradition of the FBI, and you have our thanks and admiration for a job well done.

With warmest regards,

Sincerely,

ALLEN H. MC CREIGHT
Special Agent in Charge
